Casamilano

RANCHO/Moro

Color: Brown
Category: Cat D

Leather type: bovine, corrected grain. Origin: Europe. Grain: printed. Thickness: 1.3/1.5 mm. Colour: uniform. Look: matt. Tannage: mineral, chromium. Finishing: pigmented.

Warning: being the leather an entirely natural product, on the same may appear signs that may occurred to the animal during its life. They have to be considered as evidence of the nature, beauty and individuality of the leather itself. Features may be different between the various leathers.

Cleaning and maintenance: Avoid placing leather in direct sun Keep the leather away from direct heat Dust regularly with a soft and dry cloth Spots can be cleaned with a lightly damp cloth and mild soap (please refer to the product chart).

The colours on the screen, for well known technical reasons, are indicative only and may differ from the actual finish.

Burning behaviour: BS 5852:Part1:1979
