

Casamilano

ZF/1216

Color: Ash grey

Category: Cat F

Fireproof

Leather type: European bovine hide. Thickness 0.9-1.1 mm. Tannage: Chrome tanning.
Dyeing: Aniline dyed. Finish: With pigments and resins. Leather type Top-grain leather,
smooth, matt and soft surface.

Warning: being the leather an entirely natural product, on the same may appear signs that may
occured to the animal during its life. They have to be considered as evidence of the nature,
beauty and individuality of the leather itself. Features may be different between the various
leathers.

Cleaning and maintenance: Avoid placing leather in direct sun. Keep the leather away from
direct heat Dust regularly with a soft and dry cloth Spots can be cleaned with a lightly damp
cloth and mild soap (please refer to the product chart).

The colours on the screen, for well known technical reasons, are indicative only and may differ
from the actual finish.

Burning behaviour: EN 1021-1/2 + BS 5852-1/2 + TB 117:2013 + IMO RES A652(16)
